

Arbinger Institute

Developing an Outward Mindset

Equip your team with skills in self-awareness, mindset shifts, accountability, and collaboration that will enable them to:

Hosted by:

Jenny Bangerter

ABOUT JENNY:

Jenny's facilitation skills, paired with the transformative content from Arbinger, create a dynamic duo that is sure to leave a lasting impact for your team. She's produced virtual trainings and content for clients including NASA, White House Leadership, IBM, Airbus, Special Olympics, Citrix, Forever Young and Department of Defense. The powerful insight in these trainings leads to greater efficiency and effectiveness both at work and in personal lives. Her "Jennergy" is bound to ignite your journey of growth and transformation!

Understand How Their Mindset Influences Results

Change Their Mindset to Become More Outward

Identify Their Jobs as Collaborative & Outward-Focused

Hold Themselves Accountable for Results & Impact

Positively Influence Others to Change

Address & Resolve Conflicts

CALL OR EMAIL TO BOOK YOUR TRAINING

- Videos, individual and group exercises, one-on-one sharing, and application of the tools for actual on-the-job situations facing your practice.
- Cost is \$5,500, which includes the 2-day workshop, licenses, digital or physical workbooks, and retainment materials for up to 10 participants. Contact Jenny for information about adding participants. The same training through Arbinger costs \$18,000—this is a phenomenal deal for POP members!
- Additional Support: After the initial 2-day training, leaders can choose to add application sessions for implementation support, available for \$2,000. These typically consist of 8 sessions, each lasting 90 minutes, and can be tailored to fit your needs.
- In person or virtual workshop: Additional costs apply for travel expenses outside the SLC, UT area.
